

Faculty / Subject Information

Faculty	Science
Subject	Physics
Post	
Date	January 2009

Management Structure

Head of Faculty
KS3 Teaching and Learning
KS4 Teaching and Learning
Biology Co-coordinator
Chemistry Co-ordinator
Physics Co-ordinator
Psychology Co-ordinator
Excellent teacher

Staffing

In a department of 14 staff:
1 Full time Physics teacher
1 Part time Physics teacher

Key Stage Three

Mixed Ability in year 7
Setting thereafter in 5 sets across half the year group.
The Spotlight Science Scheme is used for years 8 and 9, and the new Oxford Science Works scheme is used for year 7.

Key Stage Four

In Year 11 the pupils are set across the year group. Set 1 follows AQA Biology, Chemistry and Physics (separate sciences). Sets 2-5 follow AQA Additional Science and sets 6 to 8 follow AQA Additional Applied Science.

In year 10 the year group is divided in half, with four sets in each half of the year group. Both set 1 groups follow AQA Biology, Chemistry and Physics (separate sciences). Sets 2-4 on both sides of the year group follow AQA Core Science.

Key Stage five

Physics
The OCR Advancing Physics course is studied at AS and A2.

Resources

All laboratories fitted with LCD projectors linked to a pc and interactive whiteboards.
All laboratories are recently refurbished
