**Home to School Transport
for
St Clement Danes School
2009/2010**

Introduction

Hertfordshire County Council arranges for the operation of a number of local bus services especially designed to serve St. Clement Danes School. Most of these carry schoolchildren only and usage has to be restricted to holders of pre-purchased season tickets owing to the heavy demand. Tickets are available in advance on a termly or half-termly basis, and each child is allocated to a specific route. Priority will be given to fully paid-up children who are already travelling but, once these have been accommodated, applications from those starting in September will be considered, with tickets being issued from mid-August.

Details of routes, stops, timings and rates are shown separately
but please contact **0300 123 4050**
(0800 - 2000 Mondays to Fridays
0900 - 1600 Saturdays)
if you would like any further information.

Efforts are made to revise timings to suit special events at the school though this is not always possible, especially in the case of routes which run at other times of day.

CUSTOMER SERVICE EXCELLENCE

You will be able to pay by credit or debit card on the form provided or by cheque. **Cheque should be made payable to Hertfordshire County Council for all routes.** Holders of tickets will automatically receive letters inviting renewal before their tickets expire.

PLEASE make your payment out for the correct amount. Tickets will be checked daily and any child without a valid ticket will be charged the appropriate fare. Tickets are only valid on the service for which they are issued.

STUDENT SEASON TICKETS 2009/2010

If you are in full time education and travel from home to school or college by bus, you can save up to 20% on the cost of your travel by purchasing a Student Season Ticket. You will also not have to find change each day to pay your fare on the bus.

Can I get a Student Season Ticket for any service?

No, Student Season Tickets can ONLY be obtained for local bus services operated under contract to Hertfordshire County Council (this is shown on the timetables). Each ticket will be valid on a specified service between a designated stop and your school.

Do I need to have a Student Season Ticket?

No, on many services it is optional whether you have a Student Season Ticket or pay cash fares each day. However, travel is restricted to Student Season Ticket holders only on services **836, 837, 838, 846, 847, 849, 851, 852, 853** and **858** to St. Clement Danes School in Chorleywood where there is a high level of demand for a limited number of seats.

If you wish to travel on one of these services your Student Season Ticket application must reach us at least three weeks in advance. This allows us time to plan the services according to demand. Seats for new applicants will be allocated in the order that they are received. Applications received after this three week deadline cannot be guaranteed a seat.

How long are Student season Tickets valid for?

Student Season Tickets are available for a complete academic year, full term or half term only.

How much does a Student Season Ticket cost?

You need to know the correct CHILD SINGLE FARE for the journey you wish to make. Please note that fares on school services are revised from September 2010.

The cost of a Student Season Ticket is based on one return journey per day and is different for each term and half term. From the accompanying table you can calculate the cost of the ticket which you require. No reductions are given for late ticket applications.

A Student Season Ticket for the complete academic year will give you the greatest saving.

How do I get information about services and fares?

This can be obtained by telephoning **0300 123 4050** or on the Internet at **www.hertsdirect.org/passengertransport**

Season tickets may be obtained EITHER annually, OR termly, OR half-termly. The longer the period for which the ticket is valid, the greater the discount on the notional fare. The two half-termly payments for each term are different to reflect the actual duration of the half term.
